

Elders Voice Floating Support Service

For people aged 55+ living in the London Borough of Brent.

What we do:

- Provide housing related support to help you live independently;
- Meet with you at a suitable place to discuss any housing concerns;
- Help you get the right benefits and funds you may be entitled to (pension credit, attendance allowance, personal independent payment, grants etc.);
- Support you with filling in forms such as applications to Dial-a-Ride, Taxicard and Blue Badge;
- If you are not signed up with the doctor, we can support you with the registration process;
- Help you find activities you would like to take part in;
- Discuss preventative measures that will help make your environment safe and secure.
